

THEEKSHANA SHEHAL

About Me

I'm currently studying for a Higher National Diploma in Information Technology at the Advanced Technological Institute of Kurunegala, and I've already finished a one-year IT Diploma course. I'm really passionate and hardworking, and I've got a solid educational background. I'm looking for a challenging job in the IT and Software industry where I can put my skills to good use and grow personally. People know me as someone who's active, honest, and always ready to take on new things.
